

Developing guidance for country-level TB modelling

Next steps for guidance and catalogue

September 18, 2017

TB MAC Annual Meeting

Glion, Switzerland

Guidance

- Process for finalizing text:
 - Revise text as discussed at meeting
 - Read by external individuals to confirm clarity etc
 - Finalize by end December
 - Release following 2018 WHO TB Taskforce meeting
- Additional dissemination products:
 - Separable components: summary table (or 2-pager?), reviewer checklist, reporting template

Guidance

- Promotion/adoption
 - Institutional authorship
 - Link from other documents
 - Incorporation in existing processes
 - Still TBD, but some initial opinions to follow
- Updating
 - Every second year?

Catalogue

- Process for finalizing catalogue:
 - Revision to questions
 - Revision to content
 - Finalize by end December
- Additional dissemination products:
 - ...

Catalogue

- Promotion/adoption
 - ...
- Updating
 - Yearly?

Next

- Comments from several key stakeholders
--> Initial, non-binding impressions
